
PRESS RELEASE

SDRS 2011

Shanghai International Security Equipment & Technology Exhibition

12th – 14th October 2011 – Shanghai, China

**Asia's Largest Platform for Procurement of Security,
Safety & Disaster Management Products**

by Om Prakash – Director, INORBIT Tours Pvt. Ltd.

Mumbai, 9th July 2011

Shanghai International Security Equipment & Technology Exhibition (SDRS) is a unique and strategic platform bringing together stakeholders from the government and private sectors who are involved in ensuring the safety and security of civilians against natural disasters, emergencies and other internal and external security threats. The show features the largest display of state-of-the-art technology, products and services in areas of **pre-disaster monitoring & forecasting, disaster relief and post-disaster reconstruction, emergency response, fire protection and security equipment and technology.**

SDRS is the ONLY show organized by **The Shanghai Municipal Commission of Commerce and Dujiangyan City Government of Sichuan Province.** The Event acts as a sourcing platform for various governments and Disaster Reduction agencies in procuring products and services.

Last year the exhibition featured official pavilions from USA and Japan. 16 companies from the United States, Japan, Britain, Italy, Denmark, Indonesia, Taiwan, Hong Kong and other countries were present at the show. The show attracted a total of 4692 visitors including 4256 visitors from 11 countries and 436 local visitors.

Key facts:

- ◆ **SDRS is the ONLY platform for government procurement in Shanghai**
