12 - 14 April 2017, Shanghai

by Om Prakash, Director – InORBIT Tours Pvt. Ltd.!

*Mumbai, 4<sup>th</sup> January 2017*

Initiated in the year of 1987, with the rapid growth of China's HVAC&R industry as well as the support from relevant government departments and companies in this industry, China Refrigeration Expo has been reputed as one of the leading exhibitions in HVAC&R industry for its 30-year persistent improvement and innovation. It has been certificated by the Global Association of the Exhibition Industry (UFI) and Foreign Commercial Service of Department of Commerce U.S. (US FCS). Currently, gathering with vast of world famous brands, China Refrigeration Exhibition has served as a gigantic and diversified exhibiting and marketing platform based on exhibits-demonstration and exhibitors brand promotion, with high-end forums and conferences as a carrier, supplemented in electronic communications through network. Also, the exhibition has closely integrated the production, industry science, research, application, management and media.

China Refrigeration Expo 2017 will have more than 1,050 registered exhibitors CRH Expo 2017 will attract companies and organizations from over 30 countries and regions including international pavilions of the United States, Europe, South Korea and India, gathering almost all the famous brands in the refrigeration, air-conditioning, heating and ventilation industry in the world. It's estimated that nearly 60,000 professional visitors and customers representing over 100 countries and regions around the world will attend this exhibition for business and seek for cooperation.

CRH Expo 2016, themed on "Vision, Integrity and Pragmatism for A Harmonious and Prosperous Society", will feature various theme forums, seminars, and technical exchanges, with the aim to comprehensively analyze relevant national policies, focus on industry hot issues, industry technical innovation status and future development trend. It'll continue the efforts on the promotion session of "CRH Expo Innovative Products", organize effective visitors to the expo, high-end group visitors to participate in, and carry out activities such as in-depth communication and interactions relating to the expo. The organizing committee will continue to advocate the development concept of staging green expos, fulfil social responsibility in the capacity as hosts.
