

METAL + METALLURGY CHINA 2020

Co-located events

CHINA DIE CASTING & CHINA BEARING EXHIBITIONS

Shanghai, 13 - 16 May, 2020

by Om Prakash, Director, InORBIT Tours Pvt. Ltd.

Mumbai, 9th January 2020

A Well Established World-leading Event

In 2020 – Metal + Metallurgy will be held in conjunction with **China Die Casting Exhibition and Bearing Industry Exhibition** and the total size will reach 170,000 square meters cover an extensive range of exhibits, **Foundry, Metallurgy, Industrial Furnaces, Refractory, Industrial Ceramics, Die Casting, Non-ferrous and Bearing**. The 2020 Event will be held on May 13 - 16 at National Exhibition and Convention Center (Shanghai). **The exhibiting space is expected to exceed 170,000 square meters with more than 1100 exhibitors and 73,382 visitors from 57 countries/regions**

Fully backed by the domestic authorities, Metal + Metallurgy China has been widely supported by the well-known industry associations from Europe, Italy, Germany, Spain, USA, Japan, Korea, etc. The global network ensures the exhibition's leading position in the world.

Metallurgy – Plant & Equipment

- for processing prime and raw material
- for iron making & steel making
- for non-ferrous metals production
- for casting and pouring of molten steel
- for casting and pouring of non-ferrous metals
- for shaping of steel
- for shaping of non-ferrous metals

Other segments of Metallurgy

- Steel products, products of non-ferrous metals, ferroalloy, refractory materials
- Electrical engineering and automation measuring and techniques for
- Metallurgical plants and rolling mills
- Miscellaneous equipment for metallurgical plants and rolling mills
- Environment protection equipment

Foundry

- Castings
- Foundry equipments & materials
- Foundry moulds and Patterns
- Foundry jigs and fixtures
- Foundry technology
- Computer application

Industrial Furnace

- Various advanced efficient energy saving and environmental protection furnaces
- Modern combustion devices
- Refractory & insulation material for furnaces
- Waste heat recovery equipment
- Furnace mechanism
- Furnace auxiliary equipment
- Furnace instrument and automatic control system
- Incinerator for treating wastes
- Components, ancillary equipment

Special Travel Package by InORBIT Tours:

InORBIT Tours Pvt. Ltd., will provide special travel packages for Indian visitors. Further details can be obtained from Mr. Om Prakash – Director, InORBIT Tours Pvt. Ltd., Tel: 022 40436868 / 24229281 email: omprakash@inorbittours.com
